**New look,**  
SAME TRUSTED  
SLIP RESISTANCE.

# New Look, Same Trusted Slip Resistance.

At SR Max® we pride ourselves on continuous improvement in our products, our programs and within our own brand. In that spirit you'll see a new SR Max® logo rolling out over the next several months. We're excited to share this new, more modern, design with you and look forward to sharing additional updates in the near future. The service and programs you've come to trust are still in tact, we just look a little cooler these days.

# Who is SR Max?

**We aren't an  
ordinary shoe  
company, and we  
like it that way.**

Years ago we noticed a common theme: companies battling high slip-and-fall rates and employees in pain at the end of the day. Many of us had experienced this firsthand, so we understood their frustration well. They were at wits' end because they couldn't find a slip-resistant shoe program that offered comfort and personalized service...so we decided to create one. And SR Max was born.

SR Max provides comfortable and stylish slip-resistant footwear, from the brands you know and love, all with a customer-focused approach.

**We're in the shoe  
business so you  
don't have to be!**

**SRMAX.COM  
877-776-2933**

**SR Max®  
L.A.  
(SRM1650 /  
SRM165)**

## **We are not a call center.**

When you call our office you'll always speak with one of our Customer Service Representatives, someone on our team who is knowledgeable and ready to answer any questions you may have. We care about you and about getting you the best pair of slip-resistant shoes for your specific needs.

WARNING: This product is only part of an overall safety program. No shoe can protect you from injury in all situations. All safety shoes are used in environments where hazards exist beyond the scope of protection a safety shoe can offer. SLIP RESISTANT SHOES ARE NOT "Slip Proof". Environmental factors including but not limited to oils, water, dust, flour, ice, objects on the floor, or other hazards can reduce the effectiveness of slip resistant footwear. Also, cold environments including freezers and coolers will significantly limit the effectiveness of slip resistant footwear. It is possible for you to slip, fall, and/or be injured while wearing/using personal protective equipment including slip resistant shoes or ASTM rated safety shoes. You should always take precaution and consider the environmental hazards around you when wearing your protective footwear. All products are sold subject only to the warranties given by the manufacturer. If the product is marked as meeting an ANSI or ASTM standard, then the product carries a manufacturer's warranty. Safe-Card Safety Shoe Company/SR Max Slip Resistant Shoes provides no express warranty and expressly disclaims all implied warranties including any implied warranty of merchantability or fitness for any particular purpose.

## PROGRAM BENEFITS

- Fast, free shipping
- 30-day satisfaction guarantee
- 6-month defect warranty
- Free exchanges

# Benefits OVERVIEW

## 30-DAY SATISFACTION GUARANTEE

We're so confident you'll love our slip-resistant shoes that we back each pair with a 30-Day Satisfaction Guarantee. If you aren't completely satisfied with your purchase from SR Max – no matter the reason – just send them back (within 30 days of the shipment date) and give another pair a try, or receive a full refund (minus a small processing fee and freight, if it was applied).

**Credit/Exchange Details:** If returning your shoes for full credit, you will be charged a \$6.50 processing fee. If returning your shoes for an exchange, no processing fees will apply. Initial shipping charges are nonrefundable, but shipping is free on all exchanges.

## 3-DAY SERVICE PLAN

Enjoy fast shipping anywhere in the USA - even Alaska and Hawaii! We now offer 3-day shipping service (or better) on all in-stock orders for your account.

**NOTE:** 3-Day Service is offered to SR Max corporate accounts as part of our standard pricing and service package. 3-day service is not a standard offering as part of negotiated agreements and contracts.

## 6-MONTH DEFECT WARRANTY

If a pair of slip-resistant shoes purchased from SR Max is less than 6 months old and, in our determination, shows normal wear, we will issue a full refund or 100% store credit to replace the defective product. No exchange or credit is given on shoes worn out or ruined due to work environment.

## CUSTOMER SERVICE REPRESENTATIVES

When you call our offices you will always talk to one of our in-house Customer Service Representatives, who are ready to answer any questions you may have - from the best footwear for your work environment to specific shoe program questions.

# Policies

## RETURN POLICY

New shoes can be exchanged within 60 days of purchase. We recommend trying on your new shoes at home on a clean, dry surface, preferably carpet, to ensure a proper fit before wearing them into the workplace. This way, if you need to return your shoes for a different size or style, you can receive full credit (minus any applicable shipping or processing fees). Shoes worn into a work environment are not eligible for return or exchange unless utilizing the 30-Day Satisfaction Guarantee program or the shoes are deemed defective.

### Defective Footwear

If a defective shoe is less than 6 months old and, in our determination, shows normal wear, we will issue a full refund or 100% store credit towards a replacement.

### Normal Wear

No exchange or credit is given on shoes worn out or ruined due to work environment.

## RETURN LABEL PROGRAM

If you need to return a pair of shoes (due to a sizing exchange, style exchange or defect) within the specified coverage timeframe, please use the UPS return label that came with your original order from SR Max. Please ship the shoes along with a copy of your original paperwork, and our return form which can be found online at [www.srmax.com/policies/returns](http://www.srmax.com/policies/returns) to help us expedite your return or exchange.

Please note: UPS return labels are for the return of new, defective, or 30-Day Satisfaction Guarantee-qualifying footwear only. If footwear is returned for an exchange under the 30-Day Satisfaction Guarantee, no processing fees will apply. However, if returning for credit only, you will be charged a \$6.50 processing fee.

If non-defective or worn footwear is returned to SR Max for credit or exchange after 30 days, no credit or exchange will be issued and the shoes will be returned to you.

**PLEASE NOTE: EXCLUSIONS MAY APPLY FOR PROGRAMS RECEIVING CUSTOM PRICING OR SHIPPING RATES.**

WARNING: This product is only part of an overall safety program. No shoe can protect you from injury in all situations. Leather and mesh upper. Moisture wicking nylon mesh lining. EVA cushion removable footbed. Floatride Energy foam midsole. SR Max MaxTRAX® oil and slip resistant-rubber outsole. XTR comp toe. EH. Metal free. ASTM F2413-18 M/ I/ C EH compliant.

# Crazy Light

The new lineup of Floatride Energy Tactical styles from Reebok Work® will blow you away with lightweight and breathable construction. Combined with our MaxTRAX® outsole technology, this is a winning pair.

## SR Max® OVERSHOE

### SRM1111 (Unisex)

**Sizes:** XXS, XS, S, S+, M, M+, L, XL, XXL

The SR Max overshoe offers an alternative to slip-resistant shoes for those with larger or smaller feet, or those who are looking for a more cost effective way to get slip resistance. Especially useful for those who work in or around walk-in freezers or cold storage facilities. All sizes are in men's. Women subtract 2 sizes from your shoe size to find your men's equivalent: XXS = 2 to 3, XS = 3.5 to 4.5, S = 5 to 6, S+ = 6.5 to 7.5, M = 8 to 9, M+ = 9 to 10, L = 10 to 11.5, XL = 12 to 14, XXL = 14.5-16

### SRM8450 (Unisex)

**Men's Sizes:** W 4-14  
(no half sizes)

Injected EVA upper. EVA cushion footbed. EVA midsole. SR Max MaxTRAX® Anti-Clogging oil and slip-resistant rubber outsole featuring a wider gap between the treads to help reduce clogging from food and debris.

## SR Max® EVERETT

### SRM8300 (Unisex)

**Men's Sizes:** W 3-15  
(no half sizes)

PVC injected upper without lining. PU cup cushion footbed. SR Max MaxTRAX® oil and slip-resistant rubber outsole. Waterproof.

## SR Max® MONTAUK

# Water, Water Everywhere

Working in extremely wet conditions? No problem. These boot and overshoe styles are customized especially for those slick environments.

### SRM8200 (Unisex)

**Men's Sizes:** W 3-15  
(no half sizes)

PVC injected upper with fabric lining. PU cup cushion footbed. SR Max MaxTRAX® oil and slip-resistant rubber outsole. Waterproof. Steel toe. EH. ASTM F2413-18 M/ I/ C EH compliant.

## SR Max® SEWARD

### ON87982 (Unisex)

**Men's Sizes:** 5-15 (no half sizes)  
16 inch PVC upper with PVC/nitrile rubber outsole. Waterproof. Removable cushion insole. Resists animal fats, petroleum, oils, grease and chemicals. Safety-Loc outsole. Kick-off lugs for easy removal. Made in USA. Steel toe. EH. ASTM F2413-18 M/ I/ C EH compliant.

## Dunlop® 16" PVC BOOT

### ON87981 (Men's)

**Men's Sizes:** 6-13 (no half sizes)  
6 inch PVC upper with PVC/nitrile rubber outsole. Waterproof. Removable cushion insole. Resists animal fats, petroleum, oils, grease and chemicals. Safety-Loc outsole. Kick-off lugs for easy removal. Made in USA. Steel toe. EH. ASTM F2413-18 M/ I/ C EH compliant.

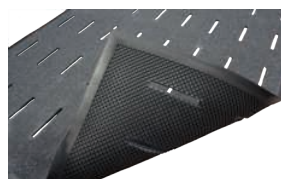

## Dunlop® 6" PVC BOOT

# Don't Forget the Extras

From replacement Memory Foam insoles and USA-made comfort socks to slip-resistant floor mats, we've got you covered.

**SR Max®  
GRIP MAT**

## SRMAT

**Size:** 3' wide x 5' long

Antibacterial rubber mat for additional traction in high-traffic areas such as kitchens and grocery departments. Low profile, flexible design. Rubber, patterned bottom for superior staying power. Drainage slots and grit surface ensures superior grip and slip resistance. Easily rolls up for moving and storage.

**MEGACOMFORT®  
MEGASOLE**

## MEGASOLE (Unisex)

**Men's Sizes:** 5,6,8,10,12,14

The MEGACOMFORT MegaSole Insole is ergonomically designed by a Podiatrist, using a patented combination of high-density dual layer 100% memory foam. MEGACOMFORT insoles have been clinically proven and field tested to reduce pain and fatigue while increasing balance and comfort. The gel enhanced MegaSole Insole provides vibration reduction, heel and arch cushioning, massaging, and aeration holes help to regulate foot temperature in footwear for all-day comfort and improve balance reactions. Ideal for stationary, mobile and those who work outdoors. For use with Casual and Work Footwear. For Arch Type: Medium, High.

**MEGACOMFORT®  
PAM INSOLE**

## PAM (Unisex)

**Men's Sizes:** 3-14 (no half sizes)

The MEGACOMFORT Personal Anti-Fatigue Mat (PAM) Insole is ergonomically designed by a Doctor, using a patented combination of high density dual layer 100% memory foam. MEGACOMFORT insoles have been clinically proven and field tested to reduce pain and fatigue while increasing balance and comfort. The PAM Insole provides maximum shock absorption and comfort in industrial footwear, making them far more effective than the standard anti-fatigue floor mats at reducing muscle strain and improving balance reactions. The heavy duty top cloth offers anti-fungal, anti-bacterial, and anti-perspiration capabilities. Aeration holes help to regulate foot temperature. Machine washable. For Arch Type: Medium, High.

**MEGACOMFORT®  
MULTITHOTIC  
INSOLE**

## THOTIC (Unisex)

**Men's Sizes:** 4,6,8,10,12,14

The MEGACOMFORT MultiThotic 3-in-1 Orthotic Insole is ergonomically designed by a Podiatrist, using a patented combination of high-density dual layer 100% memory foam plus two re-attachable orthotic arch supports (medical grade materials). The light green flexible arch support is recommended for medium/regular arch type and the dark green rigid arch support is recommended for low arch/pronation support. Made with medical grade Polyplastic, the MultiThotic is a cost-effective initial replacement to custom made orthotics. Other features include heavy duty top cloth which offers anti-fungal, anti-bacterial, and anti-perspiration capabilities. Aeration holes help to regulate foot temperature. Machine washable.
